

 THE SQUEEZE PROJECT · CAMP AMBASSADOR BRIEF

You Can Be the Reason a Kid Gets to **Go to Camp.**

As a Camp Ambassador, you'll help fund a custom squeeze toy for your camp — and 100% of every toy sold goes toward sending more kids to the summer they deserve.

YOUR FUNDRAISING GOAL

\$2,250

This is the exact one-time cost to create the custom production mold for your camp's squeeze toy.
The mold is made **once** — and can be used again and again in the future.

WHAT YOU COMMIT TO

- ✓ Raise \$2,250 through your network — or cover it directly
- ✓ Work with your camp to spread the word and build excitement
- ✓ Approve your camp's custom toy design within 5 business days
- ✓ Ensure the full \$2,250 is available when the factory payment is due

WHAT YOU GET

-  A custom squeeze toy designed specifically for your camp
-  Recognized as a Founding Ambassador in our Hall of Fame
-  Every toy sold keeps funding camp for years to come
-  The knowledge that you helped make camp possible for a child
